SUPERINTENDENT JANE RUSSO'S RETIREMENT

(Ms. LORETTA SANCHEZ of California asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. LORETTA SANCHEZ of California. Mr. Speaker, I rise today to honor a very dedicated leader from my community, our superintendent Jane Russo. She has served the Santa Ana Unified School District for over 25 years. As the first woman superintendent for Santa Ana Unified, she has been a visionary for the community.

Superintendent Russo has built partnerships with parents, with community leaders, with government, and with business leaders. She has taken leadership roles she has mentored and she has shown parents and faculty and administrators, the business community, all of us, what it is to truly collaborate and work together.

With approximately 58,000 students, 61 schools, 4,500 employees, Superintendent Russo manages the second largest employer in Santa Ana and the largest school district in Orange County and the sixth largest school district in California.

Her accomplishments have been recognized at the State and national levels. Under her leadership for the school district's academic performance index, it increased by nearly 100 points, and she received the highest score on State compliance report cards for special education and the highest increase in State testing for English language learners scoring proficient and above.

Ms. Russo will leave a lasting legacy in our district. She has shaped and made our community even better, and I am honored to recognize such a great member of our community, and I congratulate her on her retirement.

MEDICARE

(Mr. BACA asked and was given permission to address the House for 1 minute.)

Mr. BACA. Mr. Speaker, next week marks the 45th anniversary of implementing Medicare. On this occasion, it is right that Congress work together to protect and strengthen Medicare for our future generations. Sadly, instead of preserving Medicare, my Republican colleagues have approved a plan to destroy it.

The Republican budget privatizes Medicare programs, turning control over to the insurance industry; ends guaranteed Medicare coverage for seniors, replacing it with a voucher system; doubles out-of-pocket medical costs for seniors.

I ask my colleagues, where are your priorities? We should be creating jobs and helping middle class families. We

should not be dismantling safety net programs like Medicare and Medicaid.

Let's stop the politics. Let's work together. Let's work on a plan to protect our seniors and be responsible to lower the deficit.

NOW IS THE TIME TO PASS THE PENDING FREE TRADE AGREEMENTS

(Mr. DOLD asked and was given permission to address the House for 1 minute.)

Mr. DOLD. Mr. Speaker, for more than a short period of time, we've had an opportunity to talk about free trade agreements, and when we talk about it, it's about jobs, jobs in the economy. More than 57 million jobs in America are directly supported by international trade. Free trade with other nations not only creates more jobs for Americans; it creates more opportunity around the world.

In my district, over 58,000 jobs are directly supported by exports. In fact, last year almost \$20 billion worth of merchandise was exported from my district alone. If Washington is serious about creating more jobs, then we should immediately pass the pending free trade agreements with Korea, Colombia, and Panama.

New jobs are created in our local communities when our Nation increases free trade. Free trade also lowers prices for the American consumer. When burdensome tariffs are lifted, the average American family of four sees an increased purchasing power of approximately \$10,000.

Now is not the time to play political games with these free trade agreements. Now is the time to pass these pending free trade agreements so that we can create jobs here at home and help ease the burden on American families.

CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO NORTH KOREA—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 112-40)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency

declared in Executive Order 13466 of June 26, 2008, expanded in scope in Executive Order 13551 of August 30, 2010, and addressed further in Executive Order 13570 of April 18, 2011, is to continue in effect beyond June 26, 2011.

The existence and the risk of proliferation of weapons-usable fissile material on the Korean Peninsula, and the actions and policies of the Government of North Korea that destabilize the Korean Peninsula and imperil U.S. Armed Forces, allies, and trading partners in the region, continue to constitute an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. For these reasons, I have determined that it is necessary to continue the national emergency with respect to these threats and maintain in force the measures taken to deal with that national emergency.

BARACK OBAMA.
THE WHITE HOUSE, June 23, 2011.

In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the Western Balkans emergency is to continue in effect beyond June 26, 2011.

The crisis constituted by the actions of persons engaged in, or assisting, sponsoring, or supporting (i) extremist violence in the Republic of Macedonia and elsewhere in the Western Balkans region, or (ii) acts obstructing implementation of the Dayton accords Bosnia, United Nations Security Council Resolution 1244 of June 10, 1999, in Kosovo, or the Ohrid Framework Agreement of 2001 in Macedonia, that led to the declaration of a national emergency on June 26, 2001, in Executive Order 13219, and to amendment of that order in Executive Order 13304 of May 28, 2003, has not been resolved. The acts of extremist violence and obstructionist activity outlined in Executive Order 13219, as amended, are hostile to U.S. interests and continue to constitute an unusual and extraordinary threat to the national security and foreign policy of the United States.
